Tile Price List

Tile Type	2x2	3 round	4x4	4.25x4.25	6x6	8x8	12x12	Mural/Sq. ft.
Stone			\$12		\$16			\$75
Ceramic	\$7			\$9	\$11	\$15	\$20	\$50
Glass				\$18	\$22	\$25	\$35	\$100/4" \$75/6,8,12"
Ornament		\$6						

Mural Setups \$85/hr. Depends on size and complexity.

Tiles may be either a separate image for each tile or one image may be spread over multiple tiles. Care is needed especially when an image is spread over multiple tiles to make sure the seams fall in the correct places. Also keep in mind that for single tiles the image will need to be cropped as a square or borders added either top & bottom or left and right depending on the orientation. With a single image spread over multiple tiles cropping or borders can be minimized.
